

IMPORTANT RULES AND REGULATIONS OF **DIRECT SELLING BUSINESS IN INDIA** FOR DISTRIBUTORS TO FOLLOW

Understand these guidelines through an **Orientation Video** available on www.myvestige.com

Kindly note:

- Even though you may have attended various other trainings provided by Vestige, we suggest every distributor to go through this orientation video once. This video will help you enhance your knowledge and understanding about the direct selling industry in India.
- Please log in to your account using your Distributor ID & Password to see the video.
- Once you have logged in, the video will appear for viewing.
- Kindly watch the complete video and sign the acceptance by clicking on the check box.
- In case you wish to go through the orientation programme again, the video will be available for your reference in your profile.
